Twisted Periwinkle Bonham

September 21, 2022

Our sweet little Twisted had barely begun life when she left us suddenly. She was a beautiful soul and very dearly loved. This little girl was being lovingly raised by both her mother and her father (along with her brother). Her little feline family hasn't been the same without her, nor have the rest of us. She was a real daddy's girl... Having suddenly, tragically lost both her and her father, Polka, in short succession has been heartbreaking for us all. They were inseparable. Our one comfort is that we know that little Twisted is with her father, cuddling with him somewhere over the rainbow bridge. We miss you, Twisted!
