

Abe Wunderlich

March 2, 2006 - March 25, 2021

Abe was my best friend for 13 years. He knew I was his human from the very beginning. He was always there for me and helped me through so much. It was Abe and me against the world! If we can have four-legged soulmates, he was mine. Words just cannot do justice to how grateful I am to have had him in my life. I will love him forever. Rest in Peace, my sweet Abe.

“ *I never got to meet Abe. But I know he was a lucky, lucky dog, because no dog could have a human who loved them more than Deidre loved Abe.*

Abe Wunderlich was an adorable, loving dog to his loyal owner. Thank you Abe for blessing my friend, Deidre.

Truly, I don't know who needed whom more. Abe and Deidre were bonded, and I'm sure that Abe is waiting for De at Rainbow Bridge. Good dog, ye faithful friend.

I met Abe once early in 2008 or 2009 when I visited Columbus. I'm glad that you had him in your life for so long. He seemed to be a pretty cool companion. He knows how much you loved him and knows that you will love him forever.
