

Alexandrina "Drina"

September 1, 2001 - November 1, 2017

Drina has had a wonderful and great life! We were so blessed on being her parents. Over her long 16 years and 2 months life she gave us countless fun, happy, and great times and memories. She was a AKC confirmation champion and her offspring threw scores of champions including the 2011 Silverwood Champion (North American Bull Terrier Champion.) Hail to Drina. Until we meet in heaven! Soul to Soul!!
