

Angel Humble

July 3, 2020

Angel, "Baby Girl", on July 3rd, we had to let you go. The 28 months we had with you weren't enough, however, it was precious time. There is an emptiness in our home that can't be filled. Our hearts, while broke, will always hold on to you. Grateful Hearts Senior Dog Rescue definitely delivered an "Angel" to us. R.I.P. baby girl, cross the rainbow bridge, run free until we meet again. Special Thanks to Suburban Animal Clinic, MedVet of Columbus, and Schoedinger Pets.
