

## Angus Sabo

June 30, 2007 - May 13, 2018

Angus was born on Neidhart's farm the summer of 2007. He got his attitude and smarts from his mama, Mickey and his love and loyalty from his papa, Tick. Angus was my buddy from the first day I brought him home. He loved to do tricks for treats--especially shake, speak, and rollover. His favorite part of the day was breakfast, dinner, and when "mom" got home from work. Angus wanted nothing more in life than to constantly be by my side. He loved me unconditionally. I will miss him so much. Rest easy my sweet baby.
