

Atlyis Rider Essway-Jordan

February 28, 2024 - July 12, 2024

Atlyis was the most funniest brightest boy. At almost 5 months he was gone to soon. They don't know exactly what happen to him but he was born sick. Atlyis was my everything he was the sweetest little Pepsi bandit. And yes Pepsi, and Doritos and anything else mommy would forget and sit down with. he went everywhere with me, everyone loved him. He was so friendly and the cutest he was soo cute. He was my everything, his big green now hazel eyes, his little butt always in someone's face lol, his little paws and attitude I love my baby until his last breath and I'm happy he's happy. He would've been the greatest service dog, and he was the funniest little joker. I love my dog. And I hope he can continue to not give me high fives on purpose. And shake me to wake me up every morning , and never forget to just sit on my head at any given moment while I'm napping. I miss you soooo much atl, if you ever wanna come visit I'm waiting!! Forever you ml.
