

## Aubie Stephenson

March 19, 2018

Aubie was a rescue who was caged 20 hours a day. She was very anxious when saved by Kate. Through much love, training & care she was a trusting & sweet dog. Very protective of me & my parents. While she was with us her charm & sweetness touched many hearts--friends, family & visitors to our homes. Her sweet face and loving eyes will remain in my thoughts forever.
