

Baby Girl Holden

April 25, 2007 - February 22, 2019

She was one of my children when I walked through the door she was always there waiting for me. Baby Girl was a mother of 4 litters, she was a grandma of 5 litters, and just became a great grandma 3 days before she passed. She was loved by all friends and family. She will be missed. My heart will never be the same losing her out of my life. Now you are my Baby Angel.
