

Baby Bella Havens

February 18, 2021

Bella found us and stole our hearts in 2009. She is a perfect blend of love, light, sass, and fun; with eyes that instantly melt your heart. She was loved by everyone because she knew no stranger & would curl up next to you after knowing you for just five minutes. Her mischievous spirit always filled our days with laughter. I can still hear her jumping off the counter & meowing as she ran as a way of telling on herself. We never went a day without feeling love because her sweet cuddles filled our hearts and showed us what true love feels like. We are so heartbroken with the loss of our sweet baby Bella, but find comfort in knowing that she is forever in our hearts and still getting into mischief.

We love you, baby girl.

“ I always loved how she would get up on the table when it was near time to eat and friends were chatting. It was her way of letting you know “I’m part of THIS party!”💕💕
