

Bailey Clark

June 1, 2004 - January 9, 2018

My Bailey girl was my best friend for 13 years 7 months and she was always with me. She was a very loving, friendly Chihuahua. She kept me company, made me laugh, we played together, and I wasn't lonely with her. Bailey would lay on my arm and chest and her head looking up at me and then take her little paw and keep touching my face and looking into my eyes all the time. My Bailey was a special little dog. When I had to put her to sleep my heart broke into pieces and she took them with her and that hole will never be filled. Bailey also loved Avery my great grand-daughter. I know when I go I will be with her again. I will always love and miss her. Bailey's Mom Judy
