

Bailey Pyles

September 8, 1991 - March 25, 2022

It's hard to put into words how much I love and miss you and how much joy you brought to my life. I miss you calling for me and saying mammal, and telling me you love me. And all the kisses you gave me every day. I miss hearing you sing Country and Old Soul music. Your favorite song was Under the Boardwalk. I miss hearing you wolf whistle and whistle The Andy Griffith theme. I miss you barking like a dog, meowing like a cat, and calling for all the dogs by name. You loved to laugh, sing, and eat pizza. I miss you praying with me every day but I know you're still praying with mom in heaven. Fly away home my sweet little boy. I'll always love and miss you. -Mom
