

Balor Long

January 4, 2026

Balor, you were my happiest Hello and hardest Goodbye. We were lucky to have you in our lives for almost seven years. From the very beginning you adapted very quickly to a different life that you was accustomed to, going from an only child to a family of sisters who you loved very much and they loved you . We miss seeing you on your perch on the couch , we miss seeing you play with your Santa Doggie Toy and miss seeing seeing you get excited going for a walk. We miss seeing your face every morning and you barking at 2 in the morning. We know you are in a better place. We love and miss you
