

Beanie Toth

August 19, 2008 - September 23, 2021

Our pug Beanie was the constant companion of his brother from the same litter, Rocky. Beanie as a pup was feisty! Especially at meal time. He earned the name Beanie the Meanie when he tried to push Rocky into our pool. But they would always snuggle up together at naptime and bedtime, comforting each other. And that's the way Beanie left us when he died peacefully in his sleep, snuggled up with Rocky.
