

Bear McWilliams

March 26, 2009 - March 14, 2018

Bear was born 04-02-09 and became my beloved pet from WV on 03-19-10. I was on trip to visit my daughter in WV when I met "Cuddles" (his former name), Bear, brought him to Ohio. He laid on my lap and never moved the whole 3 hr. drive. From then on never left my side. He loved to be held all the time. Never was any trouble. He loved to chase airplanes, (yes!) squirrels, hawks and birds. He definately was a hunter. Bear has 2 brothers, Prince White, 4-18-2009 and Memphis Red, 4-09-2011. When we first got "Memphis," Bear would mother him. He protected him like a mother. Memphis was with him all the time. Now Memphis is so lost. He looks for him still. Prince looks around for him, but he doesn't miss him like Memphis.
