

Beauty Balazs

January 30, 2020

I found Beauty for adoption on PetFinder.com. Her sister stayed with rescue, but she wasn't thriving there. I drove almost 3 hours to meet her. She recognized me immediately and jumped up on me as if to say, "what took you so long?" She was grown, maybe 5 years, but wasn't taught much. She was eager to learn. She taught me how smart Poodles are! She was my protector, my best friend, my mirror, my safe haven. She had a knowing about her. She kept re-inventing herself to always be all that she needed to be for me, and my family. I miss her on so many levels and for so many reasons. We were part of a soul family, and meant to come together. I'm looking forward to meeting up with her again.

I thank her for the memories.
