

Bella "Booboo" Golightly-Kissner

April 18, 2010 - February 6, 2023

Bella "Booboo" Golightly-Kissner crossed the rainbow bridge unexpectedly in her sleep on February 6, 2023 in the arms of her mama.

Bella came home with Liane on December 5th, 2013 as a spunky and energetic 2-year-old. Weighing in at nearly 30lbs on her puggle frame, it was clear her main motivator was food, namely pizza. Known for stealing pizza and literally any other food available, Bella's keen sense of smell wreaked havoc on dinner plates and trash cans alike.

Known as the Golightly-Kissner's household emotional support pup, Bella knew when one of her people wasn't feeling great and aggressively snuggled until that person felt a modicum better.

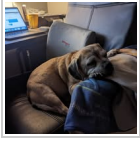

In her later years, Bella was plagued with numerous health issues but persevered through it all, ways maintaining her joy and verve.

Boo-boo is survived by her loving mama and dad, sister Gemma, pup brothers Bandit and Bugsy, pup sissies Annie and Sage, kitty brother Ivan, piggy brother Chip, grandparents, and many, many pleasant memories in the hearts and minds of all she encountered.

In memory of my Boo, please enjoy some cheese pizza or peanut butter tonight and consider giving to the Delaware County Humane Society or another local rescue.

Sleep tight my Bella Booboo. You were a good- no, a great- girl.
