

Benson Dykes

April 30, 2013 - April 17, 2018

Benson was such a wonderful and loving friend. I got him and his brother, Stabler, shortly after I got out of the hospital. They were with me and helped me cope with depression and life.

Benny was always up for a cuddle puddle. He was there to keep me company through thick and thin. He was the sweetest cat.

I love you, Benson! Always.
