

## Bill Cantwell

February 13, 2023

Our son fostered Bill when he was about 9 years old. He had been malnourished & lived in a horrific environment. We adopted Bill on January 20, 2019, and he gently passed away in our home on February 13, 2023. He was truly our beloved companion.

“ *I didn't know Bill but he is amazingly cute!! He wanted and needed your family at a time when you could provide it. I am so sorry for your loss!!!!*
