

Biscuit Cordell

April 1, 2022 - February 14, 2023

Biscuit was the sweetest cat I have ever known. Funny. Smart. Calm. These words describe him. His kitty friends and family miss him, along with all his human friends and family. I knew one day you would meet your dad, just not this soon. I hope you're safe and happy up there, not in pain, not suffering. We all miss you. See you when I get there Biscuit. I love you.
