

## Blaze Ferrell

September 11, 2009 - April 6, 2020

Blaze and I found each other in December of 2009. I wasn't even looking to get a dog. I went to buy a Christmas tree. My friend Eric was with me and said hey there's a pet store, lets go in and look – we did and there was Blaze. I fell in love with him instantly and bought him on the spot. He was 2 months old. He was the cutest and best puppy ever. He grew into the best dog and he loved everyone he met. He loved life, and always happy. He put a smile on my face every day. He loved to go for walks and swimming was his favorite. He came into my life months after I lost my dad earlier in the year. He made me happy again. I believe we were meant to be together. I was blessed to have 10 years with him and I miss him terribly. He will live forever in my heart. He was my best friend.
