

## Blue Friley

March 22, 2019 - May 23, 2019

Blue was a very beautiful pup. He stole everyone's heart at first sight. He was very energetic and loved to play with the kids and loved to cuddle all the time. The short time he was with us he was one of the family instantly. His favorite thing was to play outside in the grass. He will always be with us running around the house and barking. We love you Blue.

Love Your Family,

Gone but never forgotten.
