

Blue Howard

March 17, 2015 - February 12, 2026

Bleu was our girl. She was loved beyond measure and missed every minute of every day. She is missed when the sun shines because her warm spot in the yard is empty. She is missed in the rain because I would hold her because she was scared. She is missed at every good dinner, OH she loved food. She is missed when I'm scared or hurt she was my protector. She is missed when we sleep no one keeps guard now. Her fur made a heart on her chest which was fitting and she had a lucky wishbone on her neck. My heart is broken she was the best girl. I'm beyond grateful to have had the chance to love her which sadly comes with the pain of grieving her. Thank everyone for the respectful genuine care you showed us and her.
