

Bo Emmons

February 4, 2023

Over our 43 years of marriage, we had many cats, but none like Bo. Ruth gave more love to Bo than anyone could ever give a cat. Bo was the cleanest cat ever and Bo was the cleanest cat ever and enjoyed sitting on our front porch in warm weather and sleeping in a large basket in our family room while we watched TV. He loved to eat and get treats. He was just a joy to watch.
