

Bogey Powell

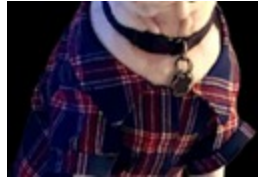

February 12, 2015 - May 9, 2024

Obituary for Bogey Powell Bogey aka Bogey Biscuit, The Bog and Bogey Baby was a very handsome black and white Boston Terrier born February 12, 2015. He joined our family April 13, 2015. He was our families first fur baby and it was love at first sight. Bogey loved to cuddle and was a good big brother to his fur siblings especially his fur sister. He even patiently taught her how to go up and down stairs when she came to live with us. They were inseparable since day one. Bogey was known for being adorable and a sharp dresser. He made all the silly cute noises Bostons make including snoring like a grown man. He loved his bed by the fireplace. Once he heard the fireplace switch, he would grab a chew toy and come running! Not only did Bogey bring so much joy, the best cuddles and so many laughs and smiles to our family but he shared unconditional love with every person he met. On the evening of Thursday, May 9th Bogey left us unexpectedly. Our hearts are broken and we have a void that can never be filled. Right up to his passing Bogey was happy, wagging his little stub of a tail and giving kisses. We will go on carrying all the sweet memories and love he gave during the nine years he shared with us. Bogey Powell February 12th, 2015- May 9th, 2024 Your Presence we miss Your memory we treasure Loving you always Forgetting you never In loving memory of our forever puppy
