Boots:

Boots was the best cat a man could ask for. He was my boy for 12 years. He loved chewing on plastic, laying in the sun and being around me. We have countless memories that I'll never forget. Boots will always be my boy and in my heart.

“ Boots was my boyfriend's precious boy. We loved him dearly. From him chewing on plastic, to eating catnip, to all the snuggles we shared, we will never forget him. He was such a loving boy and made such a huge impact on our lives. Love you big guy.
