

Brady Ann Wa

July 7, 2002 - December 16, 2019

Brady Ann Wa was the sweetest, funniest, most loyal character to ever bless this earth. She was an adventurous traveler and an ornery girl whose nose got us into a lot of predicaments. She was at home hiking in the Great Smoky Mountains, the petrified sand dunes of Utah, or snuggling on the couch with her beloved parents. She will be forever loved and missed.

“ Brady Ann is our granddogter. She lived her life her way. She also died on her own terms. I would not expect her to be any other way. She could be a force to be reckoned with but she could also be a big love bug. We will miss you Ms. Wa. You were such a big prescence in our life and a big part of our life. Grandpa and I love you forever and always. We know you and Grandma Anderson are running the show in heaven. We would not want it any other way.

“ Brady loved visiting Grandpa and Grandma Kim's farm. She loved the adventures and most of all Grandma's food and treats!
