

Breezy Veliz

February 8, 2014 - February 27, 2018

Breezy was a wonderful 4 year old English Bulldog that was taken far too soon. Breezy enjoyed playing with her daughter and taking walks in the park. Breezy also loved to lay in her pool on a hot summer day. Breezy is survived by her daughter Remmi and four sons Waylon, Winston, Cooper, and Barnaby, also her mother and father. She is preceded in death by 12 (unnamed) puppies. RIP Breezy Baby. When we walk you will walk with us for we will never walk alone. Love, Mom, Dad, and Remmi.
