

## Brownie Chestnut "Scooby Doo" Hayden

July 23, 2025

For 17 beautiful years you have been more than a dog !!! You were my shadow, my joy, my comfort .... You saw me through every season of life ; laughter, heartbreak, growth, and quiet moments to having my first kid!!! You asked for nothing and gave EVERYTHING !!!! You were and will always be my SCOOBY DOO

# Tribute Wall

“ We were getting prepared to eat Sunday dinner and we had turkey legs and my son kelvin decided to leave his plate were brownie could reach it, he came to sit back down to eat and brownie reached up a snatched Kelvin’s turkey leg it was the funniest of course kelvin was mad but he got over it!! I’m missing brown brown 🥺
