

Bruiser Kelly

July 15, 2007 - May 13, 2022

Bruiser was born July 15, 2007 in Lucasville, Ohio. He passed away in my arms on Friday May 13, 2022. He lived a great life of 15 3/4 years. He traveled all around with his brother and I. We all lived in Ohio and Florida. He enjoyed long walks on the beach and loved his brother Max. When I got sick my daughter took care of him. He loved to sleep with mama, and I miss him so much.
