

Brutus Allen Cradle-Swords

November 18, 2003 - July 14, 2025

Brutus was a loyal, gentle soul with a playful heart. Always waiting us at the door, tapping his little toes down the hall, or finding us in a game of hide and seek. He was more than a dog to us both, he was our constant, our comfort, and our best friend. He will forever be our son. Brutus filled every day with quiet love and joy. He will be loved and dearly missed. You finally gained your angel wings our son.
