It has been almost a month since you were gone. I still miss you everyday, my girl. I wanted to thank you for showing me what love really is and feels like. Our bond we had, I am very thankful. You were loved by so many people. Everyone who met you, loved you. That was what you were: a bundle of love. I will never stop loving you. You are in my heart forever. Until I see you again. Love you so much, my baby girl.
