

Buckeye Frank

January 21, 2012 - October 17, 2021

Buckeye was a corgi. He always let you know what HE wanted to do and when. But that is what we love about him. He loved his Daddy and Peepa so much but he had a very special bond with his Mommy and Meema. He was his Momma's ride or die. He was always up for an adventure from Florida to Maine. hiking mountains, sailing, riding shotgun in Orange Madness, RV trips, jumping in hot tubs and never taking the stairs if there was an elevator nearby. He loved waking up the neighborhood every morning with his barking and howling. Buckeye was loved very much and he loved us back. Until we meet again.

I love you Buckeye!
