

## Buckeye Geiger

June 8, 2018

My tribute to Buckeye:

Buckeye was the best dog ever. He stayed by my side through some really challenging times in my life. He was always my best friend, loyal and simply the best dog anyone could ask for. He enjoyed swimming, playing with my nephews and mostly his other best friend Cleo. He was always upbeat and happy until his final weeks on earth. He is deeply missed and I have a huge void in my heart without him. He touched my heart in so many ways. Rest in Heaven Buckeye! I miss you and love you.

My nephews would like to add that Buckeye loving and caring will be sorely missed.
