

Buckeye Merz

July 1, 2003 - February 2, 2018

Buckeye, our forever friend who endured happy days with us over the 14+ years he was with us. He was always there to give us unconditional love and to "listen" when we just needed to vent. He loved to go outside to hang by the pool, roam the flower garden, roll around on the concrete patio or just to sun bathe. Buckeye would always greet you at the door when arriving home and would give hugs and kisses to show his love. We miss our Buckeye very much but are grateful for our time with him and will cherish all of our memories.

Rest easy my Buckeye.

Love, Merz girls
