

Buddy Hiler

February 14, 2001 - September 5, 2020

Buddy showed up at my garage when I was 2 and now I'm 13. I had Buddy when he was 4 years old. Buddy had a kindful loving heart for everybody. Buddy followed me everywhere I went, and we both grew up as teenagers/old together :). It's been 2 weeks without him & I miss him so very much. When I was 3 for Halloween I dressed up as a monkey and he was a banana. I think about Buddy everyday. I woke up every day because of him. I love you so much Buddy and you will always be in my heart, I will never forget about you. I will never forget all the time we hung out together. I know you are watching over me, and watching me write this LOL. Everybody loved you and are thinking about you and keeping you in their thoughts. I'm happy you crossed the rainbow bridge yourself so now you won't feel pain any more. I will never ever forget Buddy because he is my main dog. I love you so much.
