

Buddy Price

October 15, 2009 - June 14, 2022

Buddy was my buddy since the day I got him. He was a Flame Point Siamese with beautiful blue eyes. I could always count on him to be with me; in my arms sleeping at night. Playing fetch with the ring from the milk jug or footies from my clothes basket, or showing me how good he was at batting the string from the ceiling fan. Miss him everyday!
