

Bugsy Joseph

June 23, 2007 - August 18, 2020

Bugsy was one of the greatest loves & greatest joys of my life. He was by my side every chance he could get. He loved to be the hello & Kissed. He loved pillows, walks & sniffs. He did not mean to be but he was incredibly funny. He was a good camper, master kayak-er, strong chewer, well traveled, tv loving, pedicure loving angel. I will love you forever & I will miss you everyday.
