

Caesar Von Hause Glover

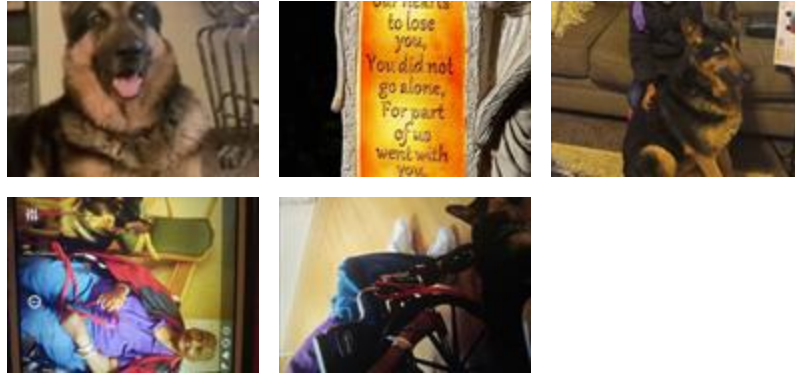

April 12, 2015 - September 30, 2025

The dog, Caesar. He was a very good dog. Caesar was a blessing. He lived for ten plus years, which is equivalent to 70 years in human years. He was a faithful companion and friend to Kimberly, her family, and friends. He was a calming force and a source of love. Caesar was a place of home for the expression of love from his owner. Kimberly took care of him as if he were her own child. She spent time with Caesar, fed him good food, took care of him when he was sick, and loved him til death. Cez often hung his head out the window when they went for rides in the Cez mobile. Going to the park is what he enjoyed most "LOL". He enjoyed a good run as always, along with rolling around in the grass! He even moved when she moved. He was a protector and barked when people approached the house. Caesar lived a full life! Kimberly said that Caesar was a blessing from God. She said that for ten years, he was a constant in her life. He was always there in good times and in bad. He was there through her own sickness and health. He visited with other family members, such as sisters and nieces. He visited Kim's Mom in the nursing home and brought joy to the residents. He was kind to Nicole, Kim's best friend. Nicole is scared of dogs, so for her to even like and feel comfortable around Caesar says that he was a kind and loving dog. Nicole said she could feel his love for her. He was also friendly to Kim's other friends. Caesar will always be remembered and loved. He has transitioned out of body but not from our hearts. We love you Cez! Thank you for the love!
