

Cali Devanny

July 4, 2010 - November 7, 2024

We knew it would be hard to say goodbye after 14 years, but words can't describe how hard it is. We were the luckiest to have Cali as part of our family from the time she was 4 months old. We brought Cali into our home in 2010 and she instantly fit in. Her sweet, gentle nature made her a friend to anyone that came through the door. She greeted us every day when we came home from work or school, wagging her tail and giving us a big smile. Not having her meet us at the door after 14 years is beyond heartbreaking. A piece of our hearts were taken on November 7, but we know she is no longer suffering. They say time will heal, but there won't be a day that goes by that we won't think of our Cali girl. You have no idea how much you will be missed. We love you so much, Cali Boom.

I'm very sorry. I know how much it hurts. If there is anything I can do, please let me know. Love you guys. She was so sweet to Charlie.
