

Capone Karpovich

December 25, 2011 - December 9, 2020

Capone was my hero. He was an 8 year old puppy who loved his life and loved his mama. He was ever so faithful and never failed me in any sense. A true angel who has been with me during some of my toughest times. Except now. I will forever cherish the memories, but my life will never be the same. I am utterly heartbroken and a day won't go by without him on my mind. On to doggy heaven you go my sweet baby. I will forever miss you more than you know. I love you forever, Mama P.S. “ I only got the pleasure of meeting Capone once, but we had a special bonding moment and then ate some good ass mexican food (well he had his own food), so we were cool and I'll never forget that lil' dude. And yeah he loved his mama for sure!
