

Carlton McConnauehy

October 23, 2019

I adopted CARLTON from our local animal shelter. His age was guesstimated to be two years. I visited the shelter three times, to engage with the dogs.. He was the only dog that didn't get overly excited. I wanted a dog that was calm. I made a good choice. He was a very good dog, easy to train. Great companion. He enjoyed the long runs my son took him on, when he was home on leave from the military.
