

Carmel Paskert

July 6, 2018

Carmel Paskert was an amazing dog and best friend. He was always there for us. Some of Carmel's favorite things were car rides, playing with his dog friends, and visiting his friends and family in Pittsburgh. Carmel loved eating whipped cream, peanut butter, and pretty much anything. Carmel could be found sitting on the steps, waiting in the window and hanging with his family. Carmel's favorite holiday was Christmas, he loved to open his gifts. Carmel Saucy Paskert will always be awesome!

He entered our home on June 12th 2008 and was taken home in a box in the back seat. He spent much of his time destroying the house for around 3 years of his life. This includes 2 couches, a window, a phone, a highchair, and now our hearts.

No matter what he was doing, he would always go to the stairs and wait for the girls to come home from school. He would sit and watch out the front window for the bus to arrive. Then he would get so happy as he saw them approach the house.

Carmel had the kindest heart and treated all people and animals gently. He will forever be in our hearts!

Carmel was a great dog and he loved us until the minute he died 😞
