

## Catalina "Caddy" Scott

July 18, 2015 - August 22, 2024

Catalina was one of a kind. She was incredibly loving, loyal and caring. If you were having a bad day she was always there to comfort you and raise your spirits. She always had the biggest smile and loved to cuddle.

Catalina you were the best dog. Mommy, Poppy and Jasmine love you forever and will never forget you. We know you and Grandma are together in Heaven.
