February 1, 2010 - March 10, 2022

CC (Chicago Cubbie) was a special kind of girl. Stubborn since day 1, she let everyone know who she was. She was the most loving dog, If she knew you. Not a day will go by that I won't miss her being my shadow. I'm forever glad she got to spend the last year of her life with a yard to run and sleep in the sun. I know the emptiness will fade but our love for CC won't.

“ *She really was the sweetest. Always smiling and loved belly rubs. I loved her and will miss her so much. Until we meet again CC Marie.*
