

## Charo Matheny

May 5, 2016 - February 19, 2018

No clubs, no organizations, no awards other than winning our hearts. Charo was loving, happy, and always glad to see us when we came in. She was strong and often stubborn ;-). She wanted to be touching you most of the time. She loved putting our yard birds to flight and play chase games with the neighbors cat. We miss her so much!
