

## Chatty Cathy Vicchiullo

February 24, 2021

Our dear Chatty Cathy passed away at the age of 14 on Wednesday, February 24, 2021. She enjoyed a wonderful, spoiled, carefree life and we were blessed to have her in our family. We know that she is now at peace playing and snuggling with her companion, Countess, who passed away in 2018. Chatty Cathy was a beautiful cat with a sweet, loyal and loving personality. We'll fondly cherish our memories and many photos with tears and laughter! Good bye Chatty Cathy. We'll see you again...one day! We love you!
