

Cheese Burns

July 22, 2024

Cheese was one of the sweetest little girls. She would always let you hold her and be the most adventurous little thing along with her sister, Mac. She was the first pet we got in our adult lives, and she has been with us through many moves and home changes, despite what little time gerbils have with us. We'll miss you, Cheesy girl.

Tribute Wall

“ *Michelle Walters Seibold lit a candle in memory of Cheese Burns* ”
