

Chingy Cicak

March 14, 2023

Chingy Cicak, beloved companion of Stephen, Tricia, and Nicholas Cicak. Adopted from the Franklin County Animal Shelter in the summer of 2004. Chingy was the last cage in a long row. He sat alone and afraid. We coaxed him to the front to see us, and when we met, it was love at first sight. Chingy lived in Reynoldsburg 19 years and enjoyed every dog park and activity available. Chingy traveled around Ohio and enjoyed the summer breaks. He hated fleas. He protected three generations of our family from all threats, real or imaginary. Chingy is survived by Stephen and Tricia Cicak, Chingy's boy Nicholas Cicak, his sons Kayden and Kyler Cicak, and his brother Bear. Thank you, Reynoldsburg Animal Hospital, Hillview Bed and Biscuit, and Kit at Schoedinger Pets, for all the love and care shown to our family in the last 20 years and on his last day March 14th, 2023.

“ *Chingy was loyal and loving. I fondly remember many evenings sitting on the front porch at Roundelay with him in my lap. He was always so excited to see me which made me feel special. RIP Chingy!* ❤️
