

Chloe Aplasca

February 26, 2019

Chloe, our beloved cat of 19 years passed gracefully on February 26, 2019. Bringing so much love and joy to our family throughout the years, her playful heart drew joyous laughter and broad smiles from all who met her. Diminutive in size, her strength could fill empty moments with a powerful meow or give support during difficult times. Empathy is one of Chloe's amazing traits because she would stay by your side to provide company and friendship. She showed us the values of patience, kindness, and love. Thank you, Chloe, for teaching us empathy and how great strength is found within the heart. Although gone, your impact will be felt forever in our hearts.

Love

Mom, Andrea, Robert, Ali, Alexis, David, and Hudson
