

## Chloe Isaacs

December 4, 2024

Chloe was the sweetest most loving fur baby. She loved to go on adventures as long as we were together. She loved all kinds of food and she would boss me daily to give her whatever I was eating and of course she always got her way. She was so precious and kind. She had 5 wonderful awesome babies that are all grown up now. Buddy, Exene, Motley, Taylor and Scarlett. She loved her babies so much. She got to watch all of them grow up. Chloe was one special girl. I have a hole in my heart that is now empty. I will never forget how silly she was. She always was smiling with her snaggle tooth smile. Never ever will I forget my sweet beautiful Chloe.

*What a special girl. You were both so blessed to have each other and experience so many things together. Rest easy goodest girl, you will see each other again at the rainbow bridge, hold that in your heart.*

“ I'm so sorry for your loss, Jennifer. She sounds like such a sweet girl who lived a pretty amazing life getting spoiled every chance she got. Thinking of you and Larry during this incredibly difficult time ❤️
